

Questions and Answers, Part 3 – Bridge Inspection and Testing Master Contract

2014

Date: February 27, 2014

County: Statewide

Project Description: Provide shop inspection during fabrication of structural steel bridge members, bridge appurtenances and related items as may be required for various construction projects – Statewide.

Dates Published in Clarion Ledger: February 5th and 12th, 2014

From: Scot Ehr Gott, P.E. – MDOT Director of Consultant Services

Question #1: Would MDOT consider an ASNT Level III (MT,PT,RT,UT) who also possesses ACCP Level II in all disciplines in lieu of an ACCP Level III?

Answer: **No.**

Question #2: I am trying to determine what we need to do to obtain “proof of State Licensure” to submit a proposal for the above referenced contract. Could you possibly point me in the right direction?

Answer: Should any of your personnel provide professional services that require a professional License with the State which will help your firm complete the project, you should provide a copy of that license in the appendix of the proposal for proof. This will allow the evaluators to validate the individual’s credentials.

Question #3: I’ve found a form “Information Form for Contractors, DBE, Material Suppliers, Consultants, Miscellaneous, Bonding and Insurance Companies” – Do we need to fill this form out and return it with the proposal?

Answer: **No.**
